

MATH 226

Differential Equations

Assignment 22

Due Wednesday May 11

Read Section 8.2 “Improved Euler and Runge-Kutta Methods” and Section 8.4 “Numerical Methods for Systems of First Order Equations” in Chapter 8: *Numerical Methods*.

Assignment 23

Due Friday May 13

Complete and Submit Project 3

when you can't solve a
differential equation with
analytical methods:
